

INTRODUCTION

This policy describes the types of information RS Production., its subsidiaries and affiliates may collect from you or that you may provide when you visit any and all RS Production properties, including, but not limited to, owned or operated brands, websites, applications, or other services, including but not limited to any content or programming delivered over the Internet via applications on consumer devices, including but not limited to, desktop computers, mobile phones, tablets, connected television devices, or other similar devices that link to or reference this Privacy Policy, and all corresponding domains, subdomains, web pages, and websites associated therewith (our "Properties"), and our practices for collecting, using, maintaining, protecting, and disclosing that information.

This policy describes the types of information we may collect or that you may provide:

- On the Properties.
- In email, text, and other electronic communications between you and the Properties.
- Through mobile and desktop applications you download or access from the Properties, which may provide dedicated non-browser-based interaction between you and the Properties.
- When you purchase, download, install, register with, access, or use the Properties.
- When you interact with our advertising and applications on third-party websites and services, if those applications or advertising include links to this policy.

It does not apply to information that:

- We collect offline or through any other means; or
- You provide to or is collected by any third party (including our affiliates and subsidiaries), including through any application or content (including advertising) that may link to or be accessible from or on the Properties.

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. If you do not agree with our policies and practices, your choice is not to use our Properties. By accessing, using, downloading, or registering with the Properties, you agree to this privacy policy. This policy may change from time to time. Your continued use of the Properties after we make changes is deemed to be acceptance of those changes, so please check the policy periodically for updates.

CHILDREN UNDER THE AGE OF 13

Our Properties are not intended for children under 13 years of age. No one under age 13 may provide any personal information to or on the Properties. We do not knowingly collect personal information from children under 13. If you are under 13, do not use or provide any information on this Properties or through any of its features, register on the Properties, make any purchases through the Properties, use any of the interactive or public comment features of this Properties, or provide any information about yourself to us, including your name, address, telephone number, email address, or any screen name or user name you may use.

INFORMATION WE COLLECT ABOUT YOU AND HOW WE COLLECT IT

We collect several types of information from and about users of our Properties, including information:

- By which you may be personally identified, such as name, postal address, e-mail address, telephone number, username or any other identifier by which you may be contacted online or offline ("personal information");
- That is about you but individually does not identify you, such as aggregated information or general location information; and/or

- About your internet connection, the equipment you use to access our Properties, and usage details

We collect this information:

- Directly from you when you provide it to us.
- Automatically as you navigate through the site. Information collected automatically may include usage details, IP addresses, and information collected through cookies, web beacons, device-specific information, and other tracking technologies.
- From third parties, for example, our business partners.

Information You Provide to Us

The information we collect on or through our Properties may include:

- Information that you provide by filling in forms on our Properties. This includes information provided at the time of registering to use our Properties, subscribing to our service, posting material, or requesting further services. We may also ask you for information when you enter a contest or promotion sponsored by us, and when you report a problem with our Properties.
- Records and copies of your correspondence (including email addresses), if you contact us.
- Your responses to surveys that we might ask you to complete for research purposes.
- Details of transactions you carry out through our Properties and of the fulfillment of your orders.
- Your search queries on the Properties.

You also may provide information to be published or displayed (hereinafter, "posted") on public areas of the Properties, or transmitted to other users of the Properties or third parties (collectively, "User Contributions"). Your User Contributions are posted on and transmitted to others at your own risk. Please be aware that no security measures are perfect or impenetrable. Additionally, we cannot control the actions of other users of the Properties with whom you may choose to share your User Contributions. Therefore, we cannot and do not guarantee that your User Contributions will not be viewed by unauthorized persons.

Information We Collect Through Automatic Data Collection Technologies

As you navigate through and interact with our Properties, we may use automatic data collection technologies to collect certain information about your equipment, browsing actions, and patterns, including:

- Details of your visits to our Properties, including traffic data, location data, logs, and other communication data and the resources that you access and use on the Properties.
- Information about your computer and internet connection, including your IP address, operating system, and browser type

We also may use these technologies to collect information about your online activities over time and across third-party websites or other online services (behavioral tracking). The information we collect automatically may include personal information, but we may maintain it or associate it with personal information we collect in other ways or receive from third parties. It helps us to improve our Properties and to deliver a better and more personalized service, including by enabling us to:

- Estimate our audience size and usage patterns.
- Store information about your preferences, allowing us to customize our Properties according to your individual interests.
- Speed up your searches.
- Recognize you when you return to our Properties.

The technologies we use for this automatic data collection may include:

- Cookies (or browser cookies). A cookie is a small file placed on the hard drive of your computer. You may refuse to accept browser cookies by activating the appropriate setting on your browser. However, if you select this setting you may be unable to access certain

parts of our Properties. Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies when you direct your browser to our Properties.

- Flash Cookies. Certain features of our Properties may use local stored objects (or Flash cookies) to collect and store information about your preferences and navigation to, from, and on our Properties. Flash cookies are not managed by the same browser settings as are used for browser cookies.
- Web Beacons. Pages of our Properties and our e-mails may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit the RS Production, for example, to count users who have visited those pages or opened an email and for other related website statistics (for example, recording the popularity of certain website content and verifying system and server integrity).

THIRD-PARTY USE OF COOKIES AND OTHER TRACKING TECHNOLOGIES

Some content or applications, including advertisements, on the Properties are served by third-parties, including advertisers, ad networks and servers, content providers, and application providers. These third parties may use cookies alone or in conjunction with web beacons or other tracking technologies to collect information about you when you use our website. The information they collect may be associated with your personal information or they may collect information, including personal information, about your online activities over time and across different websites and other online services. They may use this information to provide you with interest-based (behavioral) advertising or other targeted content.

We do not control these third parties' tracking technologies or how they may be used. If you have any questions about an advertisement or other targeted content, you should contact the responsible provider directly.

NAVIO, FROM TIME TO TIME, PARTNERS WITH THE FOLLOWING DATA PROCESSORS:

- Pubmatic. You may find Pubmatic's privacy policy [through this link](#). The data collected on the Website may be transferred to Pubmatic and its demand partners for interest-based advertising. Statistical information and other non-cookie technologies (such as eTags and web or browser cache) may be used by third parties on this Website. Browser settings that block cookies may have no effect on these technologies, but you may clear your cache to delete such trackers. Data collected from a particular browser or device may be used with another computer or device that is linked to the browser or device on which such data was collected.
- Criteo. You may find Criteo's privacy policy [through this link](#). The data collected on the Website may be transferred to Criteo and its demand partners for interest-based advertising. Criteo may collect, access, and use non-identifying data to improve the Criteo Technology and other Criteo products, programs, and/or services. This non-identifying data may include on-site user behavior and user/page content data, URLs, statistics, or internal search queries. The non-identifying data are collected through the ad call and stored with a Criteo cookie for a maximum period of 13 months.

Conversant uses information that does not directly identify you, such as information about your browser type, time and date of visit, your browsing or transaction activity, the subject of advertisements clicked or scrolled over, and a unique identifier (such as a cookie string, or a unique advertising identifier provided by your mobile device) during your visits to this and other websites and apps in order to provide advertisements about goods and services likely to be of greater interest to you. Conversant may use technologies such as cookies and other tracking technologies to collect this information. To learn more about interest-based advertising, or to opt-out, you can visit www.youronlinechoices.eu or <https://www.networkadvertising.org/>.

HOW WE USE YOUR INFORMATION

We use information that we collect about you or that you provide to us, including any personal information:

- To present our Properties and its contents to you.
- To provide you with information, products, or services that you request from us.
- To fulfill any other purpose for which you provide it.
- To provide you with notices about your account or subscription, including expiration and renewal notices.
- To carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection.
- To notify you about changes to our Properties or any products or services we offer or provide through it.
- To allow you to participate in interactive features on our Properties.

- To provide the option for you to pick up a viewed program where you left off when you launch the Properties on a different device, by tracking of the content you have watched, when you watched the content, the point at which you stopped watching the content, make recordings of that content, and connecting that information to your account, along with identifying all devices you use in connection with your account. The Properties may also permit you to pause, rewind or fast-forward content. To be able to do this, we may make recordings of the content you are watching and connect that information with your account.
- In any other way we may describe when you provide the information.
- For any other purpose with your consent.

We may use the information we have collected from you to enable us to display advertisements to our advertisers' target audiences. Even though we do not disclose your personal information for these purposes without your consent, if you click on or otherwise interact with an advertisement, the advertiser may assume that you meet its target criteria.

DISCLOSURE OF YOUR INFORMATION

We may disclose aggregated information about our users, and information that does not identify any individual, without restriction.

We may disclose personal information that we collect or you provide as described in this privacy policy:

- To our subsidiaries and affiliates.
- To contractors, service providers, and other third parties we use to support our business
- To a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of RS Production's assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which personal information held by RS Production about our Properties users is among the assets transferred.
- To third parties to market their products or services to you if you have not opted out of these disclosures. To fulfill the purpose for which you provide it. For example, if you give us an email address to use the "email a friend" feature of our Properties, we will transmit the contents of that email and your email address to the recipients.
- For any other purpose disclosed by us when you provide the information.
- With your consent.

We may also disclose your personal information:

- To comply with any court order, law, or legal process, including to respond to any government or regulatory request.
- To enforce or apply our terms of use and other agreements, including for billing and collection purposes.
- If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of Navio, our customers, or others.

EUROPEAN UNION CITIZENS OR RESIDENTS

On May 25, 2018, the General Data Protection Regulation (GDPR) takes effect. All natural persons whose personal data is processed by RS Production within the territorial scope of the GDPR, are Data Subjects and entitled to certain rights. Depending on your location, we may provide you with the ability to access, download, and request deletion of your personal information.

If you are a Data subject in the European Union, you have the following rights under GDPR, subject to certain exceptions:

Right of Access: You have the right to know whether personal data concerning you is being processed, and if so, the purpose of the processing, categories of data concerned, recipients to whom the data are disclosed and the legal basis for processing the personal data.

Right of Rectification or Erasure - "Right to be Forgotten": When RS Production holds personal data about you that is inaccurate, incomplete or no longer necessary for the purposes for which it was collected, you have the right to ask RS Production to rectify, complete, or erase the personal data.

Right to Restrict Processing: You have the right to restrict processing of your personal data by asking RS Production to limit what we do with it.

Right to Data Portability: You have the right to certain personal information RS Production stores about you in a structured, commonly used and machine readable format for transfer to a third party of your choosing;

Right to Object to Automated decision-making: You have the right not to be subject to automated decision making where this has legal or other significant consequences, except where you have explicitly consented to this or where it is necessary for entering into or performing a contract.

Right to Withdraw Consent: You have the right to withdraw your consent allowing RS Production to process your information at any time and prevent the processing of their data for direct electronic marketing purposes.

Exceptions: You can object to processing of your personal data under certain circumstances, unless there is a legitimate ground for processing the personal data, where you have explicitly granted consent, where it is necessary for entering into or performing a contract, or where RS Production needs to process the data to establish, exercise or defend legal claims.

DATA SECURITY

Platforms and Devices

The Properties may operate on platforms and devices not controlled by us. Those platforms and devices may use, collect and disclose information, including your Personal Information, subject to their own privacy policies. The platform and the platform licensees may use, collect and disclose data according to the terms of its privacy policy, other than data you provide directly to RS Production through the Properties, and data generated by us regarding your behavior within the Properties.

We have implemented measures designed to secure your personal information from accidental loss and from unauthorized access, use, alteration, and disclosure.

The safety and security of your information also depends on you. Where we have given you (or where you have chosen) a password for access to certain parts of our Properties, you are responsible for keeping this password confidential. We ask you not to share your password with anyone. We urge you to be careful about giving out information in public areas of the Properties like message boards. The information you share in public areas may be viewed by any user of the Properties.

Unfortunately, the transmission of information via the internet is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of your personal information transmitted to our Properties. Any transmission of personal information is at your own risk. We are not responsible for circumvention of any privacy settings or security measures contained on the Properties.

CHANGES TO OUR PRIVACY POLICY

It is our policy to post any changes we make to our privacy policy on this page. If we make material changes to how we treat our users' personal information, we will notify you through a notice on the Properties home page. The date the privacy policy was last revised is identified at the top of the page. You are responsible for ensuring we have an up-to-date active and deliverable email address for you, and for periodically visiting our Properties and this privacy policy to check for any changes.
